

Trident Limited

Corporate Presentation - March 2019

Safe Harbour

This presentation has been prepared by Trident Limited (the "Company") for general information purposes only, without regard to any specific objectives, suitability, financial situations and needs of any particular person and does not constitute any recommendation or form part of any offer or invitation, directly or indirectly, in any manner, or inducement to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities of the Company, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any contract or commitment therefor. This presentation does not solicit any action based on the material contained herein. Nothing in this presentation is intended by the Company to be construed as legal, accounting or tax advice.

This presentation has been prepared by the Company based upon information available in the public domain. This presentation has not been approved and will not or may not be reviewed or approved by any statutory or regulatory authority in India or by any Stock Exchange in India. This presentation may include statements which may constitute forward-looking statements. The actual results could differ materially from those projected in any such forward-looking statements because of various factors. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise.

This presentation contains certain forward-looking statements relating to the business, financial performance, strategy and results of the Company and/ or the industry in which it operates. Forward-looking statements are statements concerning future circumstances and results, and any other statements that are not historical facts, sometimes identified by the words including, without limitation "believes", "expects", "predicts", "intends", "projects", "plans", "estimates", "aims", "foresees", "anticipates", "targets", and similar expressions. The forward-looking statements, including those cited from third party sources, contained in this presentation are based on numerous assumptions and are uncertain and subject to risks. A multitude of factors including, but not limited to, changes in demand, competition and technology, can cause actual events, performance or results to differ significantly from any anticipated development. Neither the Company nor its affiliates or advisors or representatives nor any of its or their parent or subsidiary undertakings or any such person's officers or employees guarantees that the assumptions underlying such forward-looking statements are free from errors nor does either accept any responsibility for the future accuracy of the forward-looking statements contained in this presentation and are not guarantees of future performance. As a result, the Company expressly disclaims any obligation or undertaking to release any update or revisions to any forward-looking statements in this presentation as a result of any change in expectations or any change in events, conditions, assumptions or circumstances on which these forward looking statements are based. Given these uncertainties and other factors, viewers of this presentation are cautioned not to place undue reliance on these forward-looking statements.

The information contained in these materials has not been independently verified. None of the Company, its directors, promoter or affiliates, nor any of its or their respective employees, advisers or representatives or any other person accepts any responsibility or liability whatsoever, whether arising in tort, contract or otherwise, for any errors, omissions or inaccuracies in such information or opinions or for any loss, cost or damage suffered or incurred howsoever arising, directly or indirectly, from any use of this presentation or its contents or otherwise in connection with this presentation, and makes no representation or warranty, express or implied, for the contents of this presentation including its accuracy, fairness, completeness or verification or for any other statement made or purported to be made by any of them, or on behalf of them, and nothing in this presentation or at this presentation shall be relied upon as a promise or representation in this respect, whether as to the past or the future. Past performance is not a guide for future performance. The information contained in this presentation is current, and if not stated otherwise, made as of the date of this presentation. The Company undertakes no obligation to update or revise any information in this presentation as a result of new information, future events or otherwise. Any person/ party intending to provide finance/ invest in the shares/ businesses of the Company shall do so after seeking their own professional advice and after carrying out their own due diligence procedure to ensure that they are making an informed decision.

This presentation is not a prospectus, a statement in lieu of a prospectus, an offering circular, an advertisement or an offer document under the Companies Act, 2013, as amended, the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended, or any other applicable law in India.

This presentation is strictly confidential and may not be copied or disseminated, in whole or in part, and in any manner or for any purpose. No person is authorized to give any information or to make any representation not contained in or inconsistent with this presentation and if given or made, such information or representation must not be relied upon as having been authorized by any person. Failure to comply with this restriction may constitute a violation of the applicable securities laws. Neither this document nor any part or copy of it may be distributed, directly or indirectly, in the United States. The distribution of this document in certain jurisdictions may be restricted by law and persons in to whose possession this presentation comes should inform themselves about and observe any such restrictions. By reviewing this presentation, you agree to be bound by the foregoing limitations. You further represent and agree that you are located outside the United States and you are permitted under the laws of your jurisdiction to receive this presentation.

This presentation is not an offer to sell or a solicitation of any offer to buy the securities of the Company in the United States or in any other jurisdiction where such offer or sale would be unlawful. Securities may not be offered, sold, resold, pledged, delivered, distributed or transferred, directly or indirectly, in to or within the United States absent registration under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in compliance with any applicable securities laws of any state or other jurisdiction of the United States. The Company's securities have not been and will not be registered under the United States Securities Act of 1933, as amended.

Management Comment

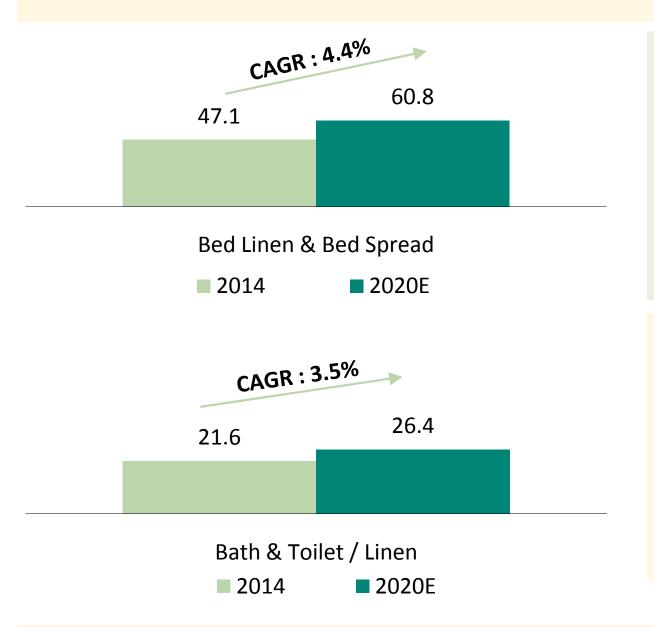

Commenting on the performance, Mr. Rajinder Gupta, Chairman at Trident Group said:

"We are pleased with the financial and operational performance achieved during the quarter. We remain focused on sweating manufacturing capacities and expect to further increase the utilization level led by expanding across geographies and enhancing our market share.

We will continue to consolidate the business by leveraging the existing customers and adding new customers to its portfolio "

Global Home Textile Industry_

Home Textile represents nearly 1/3rd of the global textiles & apparel industry. It is expected to touch \$ 131 billion dollars by 2020 at a growth of more than 3.5%.

• Bed Linen & Bed Spread is the largest application segment of the home textiles representing 44.2% in 2015. This segment is expected to grow at a highest CAGR of 4.4 % to reach \$60 billion by 2020.

• Bed and Bath linen together constitutes around 65% of the total market of Home Textile and expected to reach \$87 billion by 2020 with growth of more than 4.1 %.

Advantage India

Competitive Cost of Production

Competitive Labour, Power and Raw Material Cost;
Access to advanced technology under Textile
Upgradation Fund

Textiles: A Dominant Industry

Employs 45 million people across the value chain; Strong Government support to industry

Focus on 'Make In India' and Export Enhancement

INDIA Geography of Choice for Home Textiles

Cotton Quality & Availability
Largest producer of cotton and
still growing; Surplus available
for export

Qualified & Skilled Manpower

Large, young and talented workforce at a competitive though increasing cost

Global Friendly Environment

Stable democracy; comfort with global languages; Evolving practices in line with MNCs

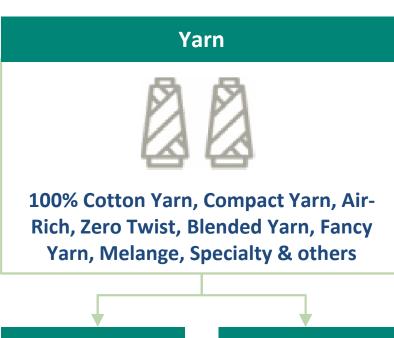

Why Trident

| Infrastructure | Clientele | De-risking | Design | Marketing |
|---|--|--|---|---|
| Largest Capacity & World Class Technology | Client Relationship | Risk Management | Strong Product Design | Market Intelligence |
| Integrated business model with large manufacturing capacities resulting in operating and cost efficiencies. Each facility is fitted with latest equipment and state-of-the-art technology | Longstanding relationships with large and diversified customer base located in India and across many international markets | Sufficient portion of forex exposure is hedged to mitigate any adverse currency movement More than two decades relationships with vendors to ensure availability of quality cotton. Widespread presence across several geographies, diversify risks and reduces overall dependency | • Focus on increasing the functionality of our bed and bath products through innovative manufacturing processes | Design studios and showrooms in the United States and the United Kingdom to showcase our products and engage closely with customer procurement teams for real time market updates |
