### **Ind-AS Impact**

"The format for quarterly results as prescribed in SEBI circular CIR/CFD/CMD/15/2015 dated November 30,2015 has been modified to comply with the requirements of SEBI's circular dated July 05, 2016 and schedule III (Division II) of Companies Act, 2013 applicable to companies that are required to comply with Ind AS.

#### **Other Income**

- INR 49 crore in Q4FY17 includes forex gain of INR 40.7 crore & interest income of INR 5 crore;
- INR 103.4 crore in FY17 includes forex gain of INR 64.4 crore & interest income of INR 24.3 crore

In line with recognition under Ind AS, Forex income was realized due to ever highest exports and significant rupee appreciation during Q4FY17, as against forward contracts, which were earlier recognised as other operating income.

# Following balance sheet items have been impacted majorly in FY17 due to adoption of Ind AS & FY16 figures have been restated accordingly

- Trade receivable & Short term debt have increased due to recognition of certain bills discounting into trade receivable & short term debt, which was earlier part of contingent liabilities
- Company has carried out fair value of all of its land and the resultant increase of INR 768.4 Crore (net of deferred tax) has been credited to the other equity.
- Interest cost has increased slightly due to differential recognition of interest earned from vendors adjusted with purchases.
