Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to The Board of Directors Trident Limited

- We have reviewed the accompanying statement of unaudited standalone financial results of Trident Limited (the "Company") for the quarter ended September 30, 2020 and year to date from April 01, 2020 to September 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34. (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act. 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 5. We draw attention to Note 4 to the standalone financial results, which describes the uncertainties and the impact of Covid-19 pandemic on the Company's operations and results as assessed by the management. Our conclusion is not modified in respect of this matter.

- 4. (a) World Health Organisation (WHO) declared outbreak of Coronavirus Disease (COVID-19) a global pandemic on March 11, 2020. Consequent to this, Government of India declared lockdown on March 23, 2020 and the Company had temporarily suspended the operations in all the units of the Company in compliance with the lockdown instructions issued by the Central and State Governments. COVID-19 has impacted the normal business operations of the Company by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lock down of production facilities etc. during the lock-down period and to an extent even subsequent to lifting/easing of lockdown restrictions. However, production and supply of goods had commenced during the month of April 2020 on various dates at all the manufacturing locations of the Company after obtaining permissions from the appropriate government authorities.

As a result of lockdown, the volumes for the month of April 2020 and May 2020 were impacted and accordingly results of current quarter and half year of 2020-21 are not comparable with previous quarter and corresponding half year of 2019-20 respectively. Further, Revenue from operations for half year ended September 30, 2020 decreased by 28.47 % to Rs 18,793.7 million (September 30, 2019: Rs 26,272.6 million) (on standalone basis) and profit before tax for the half year ended September 30, 2020 is decreased by 56.21% to Rs 1,447.5 million (September 30, 2019: Rs 3,305.3 million) (on standalone basis). The decrease is primarily due to COVID-19 related market volatility during the current period. The Company has made detailed assessment of its liquidity position for the balance period of the current year and the recoverability and carrying value of its assets comprising property, plant and equipment, intangible assets, right of use assets, investments, inventory and trade receivables. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. It has also assessed the probability of occurrence of forecasted transactions under the hedging relationships and continues to evaluate them as highly probable considering the orders in hand. The impact of the pandemic in the subsequent period is highly dependent on the situations as they evolve and hence may be different from that estimated as at the date of approval of these standalone and consolidated financial results.
