

Press Release

Trident Group Commissions Solar Power Plant at Budhni, Madhya Pradesh

Ludhiana, India- September 22, 2022: Trident has been one of the leading industries in sustainable manufacturing for over three decades. Starting with Wheat-Straw Paper, the Company has now announced that it has completed Solar Power Project of 8.87 MWp at Budhni, Madhya Pradesh out of which commissioning of 5.48 MWp Solar Power Plant (Phase I) for captive use has been successfully completed and the remaining 3.39MWp Solar Power Plant (Phase II) is expected to be commissioned within next 15 days. Moving towards a greener planet, the Group aims to use renewable and clean energy for reducing carbon emission.

The power generated from this Solar Power Project shall be consumed captively in manufacturing facilities located at Budhni, Madhya Pradesh resulting in considerable savings for the Company.

About Trident Limited:

Trident Limited (NSE: TRIDENT; BSE: 521064) is the flagship Company of Trident Group, a USD 3+ billion Indian business conglomerate and a global player. Headquartered in Ludhiana, Punjab, Trident Limited is vertically integrated textile (Yarn, Bath & Bed Linen) and Paper (Wheat Straw-based) manufacturer and is one of the largest players in Home Textile Space in India. Supplying national, captive, and retailer owned brands, the organization is highly decorated with awards from its customers, vendors, and various government entities in recognition of advancing the highest standards in product quality, social responsibility, and environmental stewardship.

The Company operates in two major business segments: Textiles and Paper with its manufacturing facilities located in Punjab and Madhya Pradesh.
